About Us

The Phantom Square

Over 120 years ago, the founders of Phantom Lake YMCA Camp chose a Bible verse and a symbol to reflect their goals for each camper's experience.

"...And Jesus increased in Wisdom, Stature, and in favor with God and Man."-Luke 2:52

Luke 2:52 serves as the basis of Phantom's philosophy of helping children and people of all ages create a balanced life. The four sides of the square represent these four areas of growth and are discussed throughout the week and in the closing ceremony. The Greek letter "Phi" is in the center for "Phantom" and also represents the spirit of camp and how it grows in a ripple-like effect.

Christian Emphasis

Camp respects and welcomes campers and families of all faiths, our emphasis is placed on Christian values and the Yf the USA Character Development Program. We focus on the four core values of caring, respect, responsibility, and honesty. Campers will investigate how they demonstrate and use these values with each other, their environment, their community, and themselves.

Camper and Luggage Drop Off

Based on tent assignments you will be directed where to park. Parents will take their camper and luggage to the counselor and sign them in with the counselor. The transition from home to camp can be awkward and the sooner campers can jump into camp life the easier the transition will be. Please keep this in mind when saying goodbyes and keep this as short as possible. Frequently, parents feel guilty about leaving so quickly, but our experience shows that short and sweet goodbyes are easiest on everyone. Also, we need to keep the traffic flowing.

A symptom check and a lice inspection will be conducted by staff. If a camper has a fever of 100.4 or above or lice are present, the camper will not be permitted to stay at camp and parents will be contacted for immediate pick-up.

Preparing Your Camper

Parents and first-time campers experience a wide range of feelings as the first day of camp approaches. Along with the excitement and anticipation of all the wonderful new experiences ahead, there may also be anxiety about these new, unfamiliar encounters. Here are suggestions to help you and your child make the most of this transition.

Homesickness

Homesickness is a natural feeling experienced by many campers. For most campers, this feeling passes after a day or two. If your camper is homesick for a consistent 24-hour period, the Director will call home to update parents on the situation and to collaborate on a plan. Counselors keep campers busy and engaged with activities as a strategy to keep homesickness under control.

Tips for Parents

- Use positive messages about camp such as, "You're going to have such a great time!" or "What a great opportunity to meet new friends!"
 - Please DO NOT promise to come pick your camper up if it doesn't go well. Instead, show your faith that your child will enjoy themselves and have a positive experience.
 - Letters and emails are the primary method of communication with your camper. Send letters with positive news from home ensuring all is well with you and the rest of the family.
 - Camper-to-parent phone calls are not allowed and parent-to-camper calls are strongly discouraged, especially in cases of homesickness. Our staff will notify you in the event of an emergency, behavioral issues, or extreme homesickness. Campers are not permitted to have cell phones.
 - Realize that even though this separation may be difficult for you, it is a wonderful opportunity for your child to build confidence and a sense of self-reliance.
 - Pack for camp together. By doing this, campers know what they are bringing to camp and where everything is packed, making them feel responsible and capable. Resist the urge to pack for your child, as they will need to start practicing the independence that is expected of campers at camp.

All personal gear is brought at your own risk. Phantom Lake YMCA Camp is not responsible for lost or broken items. Please do not send campers with new, expensive items or items that are irreplaceable.

Dress Code

Life at Phantom is informal. Send comfortable clothes (the kind that you can afford to lose or don't mind getting dirty). Clothing must be sensible and suitable for camp activities and must reflect the values of our camp. Campers are responsible for dressing in such a way that their appearance or dress does not endanger the health or the safety of

themselves/others, damage property, or disrupt others in participating in activities. Regardless of gender, clothing that reveals underwear, bras, bellies, and butts are also not suitable for camp. Inappropriate clothing can include anything suggestive, alcohol and drug advertisements, anything that shows prejudice, discrimination, or profanity. Footwear is required at all times. Shirts, pants or shorts, and shoes are required everywhere except the waterfront.

Bedding

We have bunks and mattresses in all of the tents. Please pack a twin-size fitted sheet for a mattress cover and a pillow. Your camper may bring whatever bedding is most comfortable for them (sleeping bag, blankets). We suggest including an extra blanket or fleece, even with a sleeping bag, because some nights get chilly.

Laundry

Laundry service is not regularly offered to one-week campers. Exceptions are made for emergencies such as bed-wetting or illness. Campers attending multiple sessions and spending their weekend with us only need to bring enough clothes for one week; laundry service is provided for them.

Health and Safety

Accident/Illness & Emergency Treatment

We take camper health and safety very seriously. You or your emergency contact will be notified immediately if your child has a serious accident or illness or requires medical treatment by a physician. Urgent care and Emergency Care facilities are available in Mukwonago.

Medical expenses incurred (doctor, hospital, prescription, etc.) are your responsibility. Please provide your insurance information and a copy of your current insurance cards, and complete the consent to provide necessary treatment or emergency care section of the Health History and Physical Form.

Emergency, Medical & Health Policy

Each year, we must have new online health history completed and Parent Authorization Form

Medication

All medications must be turned in to the Camp Nurse at drop-off. This includes prescriptions, vitamins, and over-the-counter medications. Please complete the medication form accurately and have all medication in a labeled clear Ziploc bag ready for a seamless drop off with our health care staff. Expired medications WILL NOT be accepted. Prescribed medication will not be accepted unless it is in the original container with the Camper's name, Prescription number, Identification of the medication, Proper dosage, Date it was dispensed & Prescribing doctor's name. These measures are in place to ensure that each camper receives the proper medication at the proper dosage. All unused medications can be collected at pickup.

Dietary Restrictions

On the Health History Form, please include any dietary restrictions your camper may have. It is important for us to have this information so that we may inform the kitchen of any special menus that need to be prepared. If your child is Gluten free or has a very strict diet they will need to bring their own food supplies. Unfortunately, we are unable to cook vegan style meals.

Health Reminders

Summer is a time for fun, but also a time for heat, sun, bugs, ticks, and zebra mussels! We would like to make you aware of a few things that you can pack to help avoid health issues we have encountered in the past years. Our staff will constantly be encouraging their campers to drink plenty of liquids and protect themselves from bugs, ticks, and the sun. Packing the following items will help your child throughout the week:(Please put first and last names on all items!)

Water bottles (Required-Must have First and Last Names on them)

Hats and sunglasses

These are all very helpful items for beating the heat and protecting your skin.

Water shoes or old tennis shoes

Many lakes in this area of Wisconsin are infested with zebra mussels. We remove as many as we can from the shore every summer, however, they multiply quickly. These small clam-like mollusks have a pointed ridge that is sharp when stepped on with bare feet.

Bug repellent (non-aerosol)

It can get pretty “buggy” at times. Bug repellent will make life at camp more comfortable!

Sunscreen (non-aerosol)

Your camper will be spending a great deal of time outdoors. We ask that you pack sunscreen to keep him/her from getting an uncomfortable sunburn that could ruin his/her week at camp.

Long pants and sneakers for activities in the woods

We require these items for some activities to ensure the safety of your camper.

Camp Life: What to Expect

At home, each child has a unique routine depending on family traditions and individual likes and dislikes. At camp, we have our own traditions and daily routines, yet give campers choices that allow them to do what they enjoy and to try new things. The transition from home can be a challenge but is very rewarding. We have included the following information to help ease this transition.

Tent Family Placements and Friendships

Campers are placed in tents based on gender, age, and grade level. When two to three campers who are not in the same family mutually request to be together, we will do our best to fulfill this request if both campers are within the same age range. We avoid grouping more than three friends to encourage campers to meet new friends and to prevent cliques from forming. Going to camp with a friend is great, but meeting many new friends is a valuable experience that will last a lifetime.

Bedwetting

If your camper periodically experiences bedwetting, please tell us about it on the Health History Form and discuss it with the tent counselor. We should know ahead of time so that we can easily help your child. Bedwetting will certainly not affect your camper’s ability to come to camp. Be sure to include a plastic mattress cover with the extra bedding when you pack. We want to make your camper’s stay here as comfortable as possible. We will be more than happy to wash the soiled clothing & bedding as needed.

Leadership

The most important part of a positive camp experience is the camp staff. We are very proud of our outstanding staff that provide leadership and serve as role models in the tent and program areas! Each year, we select young adults who have displayed a sincere interest in and concern for the well-being of children and our environment. All Phantom Staff members have a background check completed on them before they begin work with the children. A period of intense training provides our staff with the skills and techniques for counseling, group work, and program activities. Our counselors are also here to answer any questions or address any concerns you may have.

SDPs

As a part of our ongoing commitment to encouraging young people to take on leadership positions, we offer the SDP Program (Staff Development Program) for 15 to 17-year-olds. SDPs must be accepted into the program and attend weekend training sessions before their weeks at camp.

Tipping

Our staff cannot accept monetary tips. However, donations on behalf of a staff member are most welcome. If you wish to donate, you can check the Wish List in our newsletter or consider a gift to our campership program. Homemade cookies are never refused!

Arrival and Departure Procedures

Authorization for Pickup

Please bring your ID for pick-up. WE WILL NOT RELEASE ANY CHILD TO AN UNAUTHORIZED PERSON. If someone else will be picking up your child from Phantom, please make sure they are authorized on the sign-in/out form. Your child will not be released to another adult without your prior consent. If there is an emergency and someone else other than you or a designated person needs to pick up your child, please email the office so we can notify the counselor of the change.

Early Pickup/ Late Arrival Procedures

If you need to pick up your child early or your child will be arriving late, you must notify the office via email to office@phantomlakeymca.org.

Pet Policy

For the safety of others, please do not bring your pets to camp. If you find it necessary to bring them, they will have to remain in the car. Service animals are permitted at camp, but please let the Office know ahead of time so we can inform our staff.

Holdover Program

If your camper is attending two consecutive sessions, and you would like them to stay in between sessions you must register for the Holdover Program. Laundry and meals are included in the Holdover Program fee.

General Information

Behavior Management

All staff members participate in an intensive training program that prepares them to deal with all aspects of camp life. We emphasize positive, age-appropriate behavior management techniques that guide and encourage children, and at the same time establish clear behavior guidelines and expectations.

At all times, staff members are guided by the principle that all children and adults deserve to be treated in a respectful and caring manner. Campers are expected to treat fellow campers and staff with respect and to abide by all camp rules. These rules, and the consequences for not following them, are shared after dinner on the first night. At that time campers are encouraged to ask questions to ensure a clear understanding of the rules. Individuals are held accountable for their actions. Staff members support campers by clearly defining and enforcing expectations and responsibilities. Campers are expected to participate in daily duties such as setting their table, cleaning their tent, picking up litter on the campgrounds, and keeping their personal space tidy.

When behavior problems continue to arise, parents will be consulted and a plan for behavior management will be developed. If a camper's behavior does not improve after all avenues of intervention have been explored, or when one camper's actions are detracting from the experience of others, the camper will be sent home.

Some actions require immediate dismissal from camp. These actions include, but are not limited to smoking or the use of tobacco products, consumption or possession of alcohol and/or illegal drugs, endangerment to self or others, or threats of endangerment to self or others. Campers sent home because of behavior problems will not be entitled to any refund of fees. Parents will be responsible for all transportation from camp.

While the staff of Phantom Lake YMCA Camp has counselors with training to work with campers who have various behavioral needs, there are limitations when it comes to working with campers who demonstrate aggressive/violent or dangerous behavior. We will strive to work with parents to come up with a plan for the success of each camper. However, in certain events, campers may be sent home for these types of behaviors. If we feel that a child's needs are beyond the scope of the training of our staff, we are more than happy to help refer you to programs designed to accommodate their needs.

Keeping in Touch with your Child

Emailing

To email your child log on to your CampInTouch account. Go to "Online Community" then click on "Email." From there it will explain how to purchase CampStamps so you can email your child. Campers are not allowed to email back a response.

Mail

Send Camper mail to Phantom Lake YMCA Camp, S110W30240 YMCA Camp Rd, Mukwonago, WI 53149
Campers receive their mail/emails after lunch during their rest hour.

Packages

One package per week can be brought to camp and dropped off at the designated table. We strongly discourage sending food packages, as these items attract bugs and rodents. (Card games, games, toys, books, stickers, tattoos and puzzles are great care package ideas.) If you choose to send food items **please make sure it does not have any items that**

contain NUTS and please NO GUM! Please put food items in a sealed shoe box-sized container to prevent food from attracting unwanted critters in the tent. Please note that we do not forward or return any mail that arrives after your camper leaves. There is no mail delivery on Saturday (closing day).

Telephone

Campers are not allowed to make or receive phone calls. If you feel it is necessary to check on your child's progress, you may call the camp office and speak with one of the camp staff. If your child has a problem, illness, or urgent message for you, the camp staff will call you. Please have campers leave cell phones at home!

Camp Store – The Mercantile

The Phantom Mercantile is open once daily for drinks, snacks, ice cream, t-shirts etc. A set limit is made on how many snacks can be purchased each day. Merchandise sold in the store is subject to sales tax, which is included in the price. We recommend Trading Post funds of \$40-\$60 per session (lower end of the range if your camper does not plan to buy clothing or souvenirs).

Camper Bank Account (Must be set up before arrival)

Your camper will want to spend money throughout the week at the Camp Store (Mercantile). We recommend \$40-\$60 (\$20-\$25 for Mag 7 & 8's) per session (lower end of the range if your camper does not plan to buy clothing or souvenirs). It is helpful to discuss with your camper how to "make it last" for the whole week (or ½ week for Mag 7's and 8's). You can log into your camp in touch account and add funds throughout their stay at camp if you would like. Campers should not have cash with them.

Please note any unused portion of your camper's account at the end of summer will be credited as a donation and used to fund projects such as tent repair, craft supplies, or program development.
